UB Graduate Wins Contest At Carnevale

Phyllis Montanaro, a UB medical secretarial grad of 1952, was chosen "Miss Carnevale" Monday evening at the Gran Carnevale in the Armory.

Phyllis, a local girl, competed against 11 other girls who were vying for such prizes as a free trip to Rome, a \$250 cash purse, a wardrobe, jewelry and other gifts.

The contest was judged on the basis of votes at a penny each, sold by the contestants and their sponsors. Phyllis received 88,588 votes. Her nearest competitor received 67,987.

Assisting in the crowning was Mrs. John Lodge, wife of the Governor; Coleen Kay Hutchins, Miss America of 1952; and Thomas Frouge, chairman of the Carnevale.

While at UB, Phyllis was a member of Theta Epsilon sorority.

Bulletin Board Contest Set By Pi Delta

A contest for design of a proposed bulletin board honoring UB students who have been called to military service in the three wars is being held by Pi Delta Epsilon, national honorary journalism fraternity.

Pi Delta plans on erecting the memorial board on a central location on campus, either at the corner of Park Ave. and Park Pl., on the Bishop Hall lawn, in front of the Tech Building, or on the grounds of Alumni Hall.

Here are the rules of the contest:

1. The drawing must be neat and show clearly the size, shape and other physical attributes of the bulletin board, which is up to entrant.

2. Entrants must remember that the board will be landscaped, enclosed in glass and lighted.

3. Deadline is March 30. Judging will be by a committee of three local architects plus three University persons, either students or administration, to be picked later.

4. Entrants must remember that Pi Delta plans to spend about \$300 on the structure and that it will be permanent and terraced.

5. Only UB students are eligible to compete in the contest, prize for which is permanent recording of winner's name on plaque on board.

Submit the drawings to PI DELTA EPSILON, c/o Public Relations Office or THE SCRIBE, no later than March 30, 1953.

Student Leader Seminar Conducted by Brewer

A student leadership seminar designed to aid students in building more effective organizations, produce more cooperative members and establish well organized committees had its first meeting last Thursday at Alumni Hall.

Floyd I. Brewer, assistant professor of psychology, is conducting the informal class. Meetings will take place every Wednesday at 8:30 P. M. in the Alumni Conference room.

Pitt Man Says NSA Is Red Front Group

By the Associated Collegiate Press
SPECIAL to THE SCRIBE — The National Student Assn. was recently accused of being a Communist front group by University of Pittsburgh Student Councilman Joe Shuler. Spokesmen for NSA promptly denied the charge.

Shuler quoted a recent article in "American Student" magazine which called NSA "leftists" and "anti-fraternity." At a Student Congress meeting to discuss the possibility of Pitt joining NSA, Shuler quizzed NSA representatives:

Shuler: "Did NSA send a representative to the East Berlin Festival?"

NSA spokesman: "No."

Shuler: "May a Communist become an officer of NSA?"

NSA spokesman: "To the extent as a Communist might become president of (the Pitt) men's Council."

Shuler charged that NSA has recently accepted a seat on the Academic Freedom committee of the American Civil Liberties Union (ACLU). He quoted "American Student" as saying that ACLU was a Communist Front organization.

An NSA spokesman retorted that ACLU has recently been praised by the New York Times, the New York Post and 10 United States senators. He said Students for America, the group which publishes "American Student," is at present the only group fighting NSA and that it is "the most ultra-reactionary group I know."

Students for America is made up of former MacArthur for President clubs on about 50 campuses. MacArthur is honorary president of the group.

7 Who's Who Entries At UB Given Scrolls

President James H. Halsey presented seven UB students with scrolls as recognition for their entry into "Who's Who Among Students in American Universities and Colleges," in ceremonies which took place in his office Tuesday morning.

Students who received the scrolls were Joan Foytho, Mary Jane Marshall, Tony Tomanio, Danny Leeson, Charlie Smith, Harvey Seltzer and Vic Muniec.

Elections for entry into the collegiate "Who's Who" was based on excellence and sincerity in scholarship, leadership and participation in extra-curricular and academic activities, citizenship, service to the school and promise of future usefulness to business and society.

GREEK GODDESS OF EVENING

Kathie Boyhen, a freshman who started at UB Feb. 2 in the Evening Division, was chosen 'Greek Goddess' at the Greek Letter Dance at Lenny's Friday evening. Kathie is majoring in social secretarial work. She's a day hop from Danbury and is the first Evening Division student to receive honors in any UB Queen or Sweet-heart contest.

The day has been set aside by Student Council so that the classes can talk things over with their Student Council representatives and Class officers.

The graduating students will have the most to discuss, with Senior week-end and Graduation plans to go over.

Carl Dickman, Freshman Class president, is planning to review such important issues as student activities fee raise, Alumni Hall fee, athletics and other matters.

Let's Keep A Record

Cigars, pencils, lolly pops, promises, promises and more more promises. What's that remind you of? It is the SCRIBE's description of the "colorful" annual Student Council election every May. You saw a small sample of it this December.

Reams and reams of paper are wasted annually extolling the virtues and promises as well as the ages, home towns and hobbies of the candidate. YOU, the students, become used to choosing your representative on the basis of these facts. The calibre and frequent resignations of Council members serve as the rewards for this system.

This May, many incumbents will campaign for reelection. Why does not the voter try to find the voting records of his representatives from among the rubble, colored dittos and fancy phrases of the campaign materials? How did your representative vote on the Student Activity Book fee? How many meetings did he attend and how active has he been on Council committees? Do you know?

The voter should make his choice on a rational basis. This year Student Council has been more active and more successful than any Council that we can remember. It has tackled real issues. Council members who have attended meetings regularly, worked on committees, taken stands on issues deserve to be distinguished from their less active co-workers and deserve reelection.

Student Council is doing its part. Roll-call votes are taken on all vital issues. You, the person who puts the Councilman in office, owe the good members the obligation and the bad members the check of keeping up on happenings.

On all vital issues, The SCRIBE will publish the voting record as recorded in Council. If you can't find it there, Council minutes are open to any student to review in the Council office, 3rd floor, Alumni Hall.

Let's try to see through those politicking members shirking duties and seeking empty glory. Make your representative responsible to you and deserving of the honor you bestowed on him.

Carcade For The Kids

Last week's Carcade through the City of Bridgeport to the City Hall by civic minded citizens deserves a good word from any one interested in a better tomorrow.

On Feb. 3, 300 people came to the City Budget Hearing to see that Bridgeport's younger children get a fair break and a decent education in adequate schools, staffed by qualified teachers. They came to ask for a bigger part of the city budget to be allotted for education.

Most every interested citizen realizes that taxes might have to go up a fraction of a mil, but what better investment is there, than the education of our future citizens.

Most of us went to school in Bridgeport and are fully aware of the inadequacies of the local system. There is a need for new buildings, for repairs, for more and better books and for more incentive to get better teaching staffs.

To UB students, it should be your responsibility to talk about the situation at home and with your neighbors. . . talk it up and write letters to the Mayor, your Alderman and to the budget makers. Let's give Bridgeport's kids a break.

(ED NOTE — Bill Desmond, originator of Alpha to Zeta three years ago, returned to campus last week at SCRIBE presstime. Let IFC For Blood

Campus affairs came to a halt at the Inter-Fraternity Council last week in order to listen to an urgent appeal for blood from Bud Naremore of the Bridgeport Red Cross Chapter. The bid received an overwhelmingly enthusiastic response from the Council and a Blood Committee was immediately formed.

Prevent tragedy at home and overseas. Dial IFC today and make an appointment to give a pint.

The gala Greek Letter Dance was the scene Friday of the rise of a new Greek Goddess. Music by the Kampus Kings heralded the coronation of Kathie Boyhen, who was crowned amidst a setting of beautiful flowers.

Another highlight of the affair was tinged with nostalgia. Bob Heath, ex-IFC faculty adviser, was presented with a plaque emblematic of his loyal and sincere service to the Council. After a round of applause and good wishes Bob said, "Thank you. It has been a great experience being a part of the growth of the Inter-Fraternity Council. I hope someday we will have greek letter houses and all the works on the campus."

Charlie Smith takes over Bob's position. Bob is doing Public Relations work for the Hartford Chamber of Commerce.

ALPHA DELTA OMEGA announces a new roster of officers: Chancellor, Carl Dickman; Vice Chancellor, Dick Farrell; Secretary, Dick Wilkes; Sergeant at Arms, John Young.

ALPHA GAMMA PHI extends a hearty welcome home from the "Wild Blue Yonder" to brothers Benjamin Raubvogel and Leo Kney. Ben is on current leave from the Air Force thanks to their operation bootstrap program which allows him to finish his last semester. Leo just returned from active duty with the AF reserves.

Newly elected officers are: President, Bob Kondracki; Vice President, Gus Anderson; Secretary, Ray Giddings; Treasurer, Ed Scarlett.

BETA GAMMA is being mysterious again. Their forthcoming pledging program has been labeled top secret. Shades of the Pentagon.

DELTA EPSILON BETA will hold a beer party for members and prospective pledges tonight. New members are Pete Trotter, Ed Ceby, Charlie Young, Emmet Laird, John Gilbride, Joe Prattella, Tom Sharples and Joe Campolongo.

Congratulations to the newly elected officers. Prexy, Pete Trotter; Vice President, Ed Brown; Treasurer, Charlie Wycoff; Recording Secretary, Gordon Robertson; Corresponding Secretary, Edward Ceby.

PI OMEGA CHI had a beer party at Patsy's Sunday evening for their prospective pledges. Monday night they held an open meeting for pledges to discuss fraternities at UB. There was time out for a prayer to bring back brothers Howie Barrie and Jack Shields safely home from Korea.

KAPPA BETA RHO pledges began roaming the campus this week. The boys will be invited to a party Saturday night.

BOB HEATH takes up his new job with the Hartford Chamber of Commerce this week. Bob left his UB post where he was Alumni Secretary and Student Activities Adviser.

SIGMA LAMBDA CHI bids farewell to Mark Ritter, Joe Fink, Easton Smith, Bernie Kass-off and Dick Bromberg. Dick left for the Navy. The boys were 'bout ready to cry in their beer, but that's life.

New officers are Chancellor, Bob Sohigian; Vice Chancellor, Mike Stempa; Corresponding Secretary, Bob Plotnick; Recording Secretary, Brad Clough; Exchequer, Sid Bader; Chaplain, Rocky Rock-amato; Sergeant at Arms, Larry Jacobs.

SIGMA PHI ALPHA held a beer party recently for Mr. Charles J. Petijean, their faculty adviser, who has left on sabbatical leave. The boys presented him with a desk set.

THETA EPSILON has taken its first step toward wowing the campus. The slogan "feminine pulchritude." At a social gathering at Abbey Elstein's house, Mrs. Citrano, hair stylist, gave the girls a few pointers. Will it be horseshoes, poodles or just plain bangs ala Mamie?

THETA SIGMA welcomes their new officers: President, Andy Demotse; Vice President, Steve Michaels; Secretary, Ronnie Meuser; Treasurer, Alumni Correspondent, Fred Mills; Historian, Dick Watt.

Just a note to express how great it has been to write this column once again. I wish every success to Irnie with the column and know that she will get just as big a bang out of it. She's made an admirable start. — Bill D.

Spring Concert Rehearsals To Start Soon - Penn

Mr. Robert Penn, director of the UB Mixed Chorus, announces that rehearsals for the annual Spring Concert, sponsored by the Music Department, will begin soon.

All students who enjoy singing good contemporary semi-classical selections are urged to attend Chorus rehearsals, held on Monday, Tuesday and Thursday afternoons at 2 P. M.

UBites Favor Bill of Rights Survey Shows

By John Schaffner

The long-awaited Student Bill of Rights may soon become a reality if the survey conducted at registration is any indication.

Results were indeed favorable, as 553 students, constituting a majority of the Spring enrollment voted.

Of this number 528 or approximately 96% were in favor of the Bill. All students were instructed to carefully read the Bill before indicating whether they were or were not in favor of it.

Daniel Leeson, UB delegate to the National Students Association, originally presented the first draft of the Bill to the Council of Deans and later the Faculty Senate. From there it went into committee where several necessary changes and revisions were made.

The present committee includes Prof. Charles Jacobs, faculty chairman; Prof. Charles Petitjean, Floyd Brewer, Dean Clarence D. L. Ropp, Victor Muniee and Gary Singer, student chairman.

The Bill will come up for consideration before the Faculty Senate Tuesday.

APO Members Sell Time, Life For Alumni Hall

Alpha Phi Omega, the national scouting service fraternity, is selling subscriptions for TIME and LIFE on campus.

Students may obtain their subscriptions at a substantial saving over the normal subscription price from any APO member or pledge.

Profit obtained from the sales will be used by APO in a Furniture Fund for the second floor lounge in Alumni Hall.

Knights Face Three Rough Home Games

By Mickey Vall

With Fairleigh-Dickinson arriving tonight, the UB basketball team begins the stretch drive of the 1952-53 season.

Traveling to Oneonta, N. Y. last week the Knights dropped their sixth decision in 16 games to Hartwick College 81-66. In that game Bridgeport was hampered by a lack of height and the unfamiliar court. Lou Saccone and Dick LaBash led the Bridgeport scoring with 22 points apiece.

In tonight's game the Knights will be the underdog as Fairleigh-Dickinson comes into the Bridgeport Armory riding high on an undefeated thirteen game season. They have won 31 out of their last 32 games.

Led by George Glasgow, high scoring guard, George Laborowski, 6'6" center and John Scoll who led the New Jerseyites to a 69-55 victory over the Purple Knights last year, Fairleigh-Dickinson boasts a squad of 12 returning letterman and one veteran.

Coach Herb Glines, who returns to the helm after missing the Hartwick trip (on which the team was ably coached by Walt Kondratovich and Joe Iovino), has had

the team hustling in practice and has high hopes for his charges in tonight's all important game.

Tournament selection time is drawing near and every victory puts UB one notch closer to a berth in the NAIB tourney. Last year Bridgeport traveled to Waterville, Me. only to be defeated by Colby College. This year the Bridgeport Armory has been mentioned as one of the possible sites for the tourney.

Tomorrow afternoon UB will travel to New Haven to play State Teachers College. The teachers are having one of their finest seasons and will be trying to even an earlier 62-49 defeat by Bridgeport.

Saturday will find the Knights back home to face a weak Panzer team. The Panthers lost John Guthery their high scorer of last year and have been having a poor season.

In last year's game Panzer broke UB's nine game winning streak, defeating the Knights 73-63.

Next Wednesday the New Britain Teachers come to Bridgeport for the second of a home and

A few months ago this column was attacking the student body of UB for not supporting the football team because of their poor record.

This column is now taking the direct opposite approach and takes note of the fine support given the basketball team.

The students this year formed an audience better than any UB basketball team has ever performed for in the past.

Not only have the UB fans been out to watch the Knights perform on their own hardwoods, but they have supported the Knights on the road as well.

An example of this fine road support is found in the story of the UB-Brooklyn Poly game in their paper THE POLYTECHNIC REPORTER when they wrote as follows:

"The stands at the Central Y were filled to capacity with spectators for the Bridgeport game and the ratio of fans was about 20 to 1, favor of Bridgeport."

"The Poly fans were in one corner completely outnumbered and out cheered by the spirited clan from Bridgeport."

"Bridgeport fans showed as much spirit as their team, which is something that is yet to be seen as far as Poly is concerned."

"Poly lost one game and their following dwindled to the families and friends of the players, while Bridgeport had enough pride in its club to travel down from Connecticut to cheer their team to victory."

Another thing that should be kept in mind about that particular night was the threatening weather conditions which later materialized into a snow storm early in the morning.

This is only one example of the fine notice the UB students are attracting for their support of the Knights.

The Knights are not the team of last year, but they are still a very good team and the UB fans do not let a few defeats discourage them.

The students are not the only ones to support the team as many of the instructors attend UB games.

One of the referees at many of the UB games is John Scallz, who hails from Stamford, Conn. It is interesting to note that in his athletic days he was a nationally known figure.

In his football career at Georgetown University he was hailed as one of the nation's top all-around football player during the seasons of 1928, 1929 and 1930.

In the book FOOTBALL FACTS AND FIGURES by Dr. L. H. Baker, John Scallz is considered the top passer in Georgetown's history. He is also listed fourteenth in the "longest passes" department with a 67 yard heave in 1928.

As a runner he is listed among the top runners with note being taken to two 95 yard touchdown runs in 1930.

In his baseball career he was a member of the Boston Braves and served as president of the Colonial League, a class B minor league now defunct, in which the Bridgeport Bees played.

He has refereed all over the coast for high schools and colleges as well as being a referee in the old BAA.

ALONG PARK PLACE

by Andy Demotzes

There may not be a bit of truth in it, but have you heard the rumor that the name of this school is going to be changed to UConnbridge? No kidding, it seems as though half of the students at UConn last semester decided that UB held more attractions for them.

Everywhere you go, you can always manage to meet a new student who has just "arrived" as they like to call it. Best of luck to these new transfers and to all our new students this semester.

I had an opportunity to meet two fellows from UConn who are merely visiting our fair campus and do not plan to stay. You must have noticed them some time last week in Alumni Hall selling subscriptions to TIME as a means of fund-raising.

The taller of the two is Nick Metros and his buddy is Andy Margoles. Both boys are members of Sigma Chi at UConn and are real swell guys. By the way, the one comment they both had in common was, "Boy, you sure do have some beautiful women around here."

Oh, well, the grass always looks greener on the other side of the fence.

Speaking about good looking women (who doesn't), have you noticed Vicki Vilen-sky from Schiott walking around with her tight little skirt slit from here to here? Be sure to look for her, it's worth the trouble.

This little bit of information was relayed by Hal Trischman, who has set up his card-playing office in the right hand corner of AH every afternoon from two until 5. Says Hal, "The stronger sex is the weaker sex because of the weakness the stronger sex has for the weaker sex."

Did you notice who wrote the ALPHA to ZETA column this week? Well, it was none other than its originator Bill Desmond, who was here last week through the courtesy of the US Air Force. Bill says that many things have changed except the stale air in Easton Hall 10.

Glad to see that Mickey Donahue is back with us. . . . and one of those UConn transfers I was talking about is Ann Spartan, a graduate of Fones School of Dental Hygiene and currently living in Seaside Hall.

I want to mention the IFC dance last week, which was one of the best dances the IFC has given. You couldn't help noticing the paintings on the mirrors as you went in. Each fraternity and sorority was represented. The work was done by Fred Kirk, Bob Levine and Phil DuBreil and done very well at that.

I ran into former ALONG PARK PLACE columnist Bill O'Brien last week. Bill is in the Army stationed at Camp Pickett, Va. Dee Casillo and Bill Giles, both UB grads are working at the local City Comptroller's office.

Graduation at mid-term took such people as Dave Howard, Dave Tursky, Bill Tielert, Joe Miley, Joan Reck and Bob Weiss just to mention a few. Word comes to us from the Northern Illinois College of Optometry that former UB'er Herb Klein of Stratford has received a BS in Optometry and is working for his Doctorate.

Congratulations to Dave Johnson who became engaged to pretty Marie Hall. The wonderful event occurred about two weeks ago and this is the first chance I have had to mention it. Marie is a DH girl and both she and Dave are from Norwalk.

I PREDICT THAT. . . Un-usual as it may seem, I would like to go out on a limb and make what seems to me to be fairly possible predictions of the future here at UB.

Prediction number 1: The Civilian Defense program here on campus is about to take some mighty big steps. . . .

Prediction number 2: The annual Circus Dance will be held this year, but not as a dance and not at the Armory.

Prediction number 3: Waldemere Hall will return as a men's dorm in the Fall of 1953. . . .

Roger Saxon is going around school speaking with a Mexican accent after his recent trip to Mexico between semesters. Roger reports that everything is pretty warm down there. (I wonder what he meant?)

The Sunday night trips to New York seem to be growing more and more popular. A few of the dorm guys have an avid interest in bop and it seems that the best place to dig the cool notes is in the big, crazy city.

Reminds me: Two boppers in Russia watching a man belashed in public. One bopper says to the other one, "I get the cool tempo, but man, dig that crazy drum."

Arnie Epstein held a surprise party for his adopted daughter, Barbara Blitzer, during final examination week. Seems Arnie has some 20 adopted gals and he is telling of the wonderful doings of his Seaside clan — That "fatherly" touch always seems to aid!

Charlie Smith, past counselor of Waldemere Hall has been appointed Associate Residence Counselor with Mr. Fenner at Trumbull Hall.

At Marina Hall, Brad Clough, president of this dorm, is the new Associate Residence Counselor with Dr. Demar.

Stork Club To Carnegie Hall

UB's Music Department may at long last get its badly needed facilities, now that the suggestion has come to light that the home of our old Snack Bar be reconverted into a larger and better workshop for the aspiring musicians.

So whether it's bop or Beethoven, music will soon become better than ever on the UB campus. Plans under consideration include a room for student recitals, a large rehearsal hall and adequate individual practice rooms.
